

THE COLLEGE AND THE COMMUNITY

Since 1973, Doña Ana Community College has offered workforce training for our county. Every year over 8,400 students enroll in college credit courses, additionally 2,500 individuals benefit from Adult Education, customized Training, Community Education, and Small Business Development opportunities

In addition to the Las Cruces locations, DACC operates centers in Sunland Park, Chaparral, and Gadsden.

DACC offers affordable education with friendly services, small classes, and personal attention. It provides online, day, evening, and weekend classes.

DACC takes an active role in partnering with businesses and schools to develop Doña Ana County's workforce.

DACC collaborates with NMSU to support students interested in pursuing the Aggie Pathway. Start here, finish there.

DACC Local, Affordable, Accredited

General Obligation Bond

This bond will provide funding for projects from 2023–2027.

Local county funding helps leverage state funding.

Mission Statement

DACC is a responsive and accessible learning-centered community college that provides educational opportunities for a diverse community of learners in support of academic interests, workforce development, and economic growth.

DACC GO BOND NOV. 7

Investing in OUR community

Growing the County's Workforce Since 1973

THE INVESTMENT

The \$16 million from bond issue proceeds will be used for the following:

Area Security and Safety Upgrades

\$1.4 million for improved security and surveillance access/control and camera systems, exterior locks, and site lighting at all DACC locations.

Infrastructure Improvements

\$1.15 million for maintenance and repair, and site development to DACC campuses and centers.

Classroom Upgrades, Facility Renewal, and Renovations

\$2.85 million for renovation and re-purposing to selected instructional areas at all DACC sites, including room configuration, furniture, room finishes, and instructional equipment.

Information Technology, Upgrades, and Equipment Acquisition

\$2.5 million will be allocated for enhancing IT infrastructure, IT and service rooms, as well as audio-visual spaces across all DACC locations.

Facilities

\$8.1million for improvement to the Sunland Park Center to replace portables with permanent classrooms, and provision of science labs, and student areas.

THE RETURN ON INVESTMENT

The DACC Bond will provide funding for security, safety, and infrastructure, plus upgrade and re-purpose instructional areas. Additionally, it will advance and update DACC information technology at all locations. the Sunland Park Center facility will replace portables with permanent classrooms, science labs and student areas.

- Modern labs and classrooms designed and equipped to meet current business requirements.
- DACC specialized programs meet local business needs and inspire graduates to build their careers in Doña Ana County.
- A skilled workforce stimulates economic growth across all sectors within the county

DACC President Dr. Mónica Torres on the return on investment:

"When students complete their degree or certification at DACC, they leave with new knowledge and skills. Research has shown that higher education credentials improve the quality of life for those who earn them and the communities they live in. Voting for this GO bond ensures that our DACC graduates have access to essential classrooms, equipment, and technology that translates into long-term benefits for us all."
